No, it's just a case of muddled semantics. You'll find that existence isn't a property that can be negated (and in that sense isn't really a property at all). Oblivion is set six years after the events of The Elder Scrolls III: Morrowind, though it is not a direct sequel to it or any other game. The game is set in Cyrodiil—a province of Tamriel, the continent on which all the games in the series have so far taken place. Still, the question on most lips was obvious: Why not remake an older Elder Scrolls like Morrowind or Oblivion? Both games are far more dated visually and. Oblivion is the latest chapter in the epic Elder Scrolls saga. With a powerful combination of freeform gameplay and unprecedented graphics, you can unravel the main quest at your own pace or explore the vast world and find your own challenges. There are no refunds for this item. A skill in The Elder Scrolls IV: Oblivion refers to the Hero's effectiveness in using the skill itself (e.g. points in Armorer lead to improved ability to repair armor). Today Pip revisits Oblivion and finds a nostalgic, if empty, world. It was a shock to go back to The Elder Scrolls IV: Oblivion. I hadn't been. The other barrier standing in my way is, oddly enough, an expansion that released for Oblivion, called Shivering Isles. Shivering Isles, however, came along and looked incredible, as if Bethesda decided to make a sci-fi Elder Scrolls game — same immersive world, but it looked alien. The Elder Scrolls IV: Oblivion, the fourth game in the Elder Scrolls series, is set within the province of Cyrodiil, the heartland and Imperial capital of Tamriel.
