

snapper lawn mower manuals

Thank you for buying a SNAPPER product! Before operating your mower, read this manual carefully and pay particular attention to the Important Safety Instructions on page 2. Remember that mowers and all power equipment can be dangerous if used improperly and keep in mind that safety requires careful use in accordance with the instructions andcommon sense!

This manual covers SNAPPER 21" HI-VAC Series 7 (last numeral in the five digit model designation) walk behind mowers. A letter "D" prefix designates side discharge models. Models with an "R" prefix are recycling mowers. Those having a "P" prefix are self-propelled. Models with a "B" suffix are Briggs & Stratton powered. Differences are pointed out wherever pertinent throughout the manual.
